Group highlights and what to expect

Creative Writing (Online)

Explore stories, poetry, or ideas at your own pace with optional prompts and no pressure to share. A supportive group to be creative, build confidence, and connect with others.

The Hangout

Enjoy activities like Xbox or PlayStation, pool, books, board games and musical instruments, or simply relax in a calm environment. There's no pressure to socialise – join in at your own pace.

Arts & Crafts

Bring your own materials and work on your own project at your own pace or join in with a shared group activity. You are also welcome to use any materials available during the session.

Board Games

Use the games we have available or bring along your own favourites to share with others. Whether you enjoy strategy games, card games or something quick and fun, there's something for everyone.

Dungeons & Dragons

Whether you're a complete beginner or an experienced player, everyone is invited to take part at their own pace. Sessions involve collaborative role-playing adventures, where you create a character and work together with others to solve problems, overcome challenges, and build a shared story. A volunteer Dungeon Master or a peer will guide the game and support players throughout.

Stroll & Snack Group

Join us for a stroll around Bute Park with a stop at a local cafe for lunch/coffee. You are also free to bring a packed lunch.
